

**I Remember**  
**The Violet Burning**

Oh how sweet is the blood of Jesus  
That was poured out for me  
Oh how lovely is the face of beaten for me  
Oh how sweet is the blood of the lamb

For the life you gave  
I could never repay  
The precious blood  
Poured out for me

I remember your body  
I remember your blood  
I remember you died for me  
I remember your love
