

The Day the Sun Stood Still
Mars Hill Worship

(From Joshua 10:12-15)

O sun stand still far over Gibeon
O moon, over the Valley of Aijulan
So the sun remained, and the moon cried out
HOLY IS THE LORD

Don't turn the light
Don't turn the light out
Don't turn the light out on me

The sun stopped at the top of the sky
While the nation avenged itself
As written in the book of Jashar
HOLY IS THE LORD

Don't turn the light
Don't turn the light out
Don't turn the light out on me

I know that it's light
I knew it right from the start

Let us put our feet on the neck of the king of our enemies
God bless our enemies
Let us put our feet on the neck of the king of our enemies
God judge our enemies

I have stopped the sun and moon
I have stopped the sun and moon

Don't turn the light
Don't turn the light out
Don't turn the light out on me

There has never been a day before or since
A day when the Lord listened to a man
Surely the Lord was fighting
FIGHTING FOR ISRAEL
